Course Abstract:

The purpose of this e-learning is to make you aware of how to take care of your own safety and also caring for others and for the environment.

The target group of this e-learning is all office employees in Wärtsilä. This E-learning consists of five modules that will help you to understand the essential matters related to health, safety and environment in Wärtsilä. You can make all modules in a row or one at a time.

Why it is important to you: By you being aware of the potential risks associated with injuries in the office you, through simple steps will be able to prevent incidents from happening.

Why it is important to Wärtsilä: We at Wärtsilä want you to work in a safe environment free from incident. Good safety practices will create a good safety culture and prevent incidents.
