Cyber Security Awareness Training

Completion Date: 13/02/2019

Duration: 00:30 hs

Relevant for you.
Impactful for the business.

Course Abstract:

Note: Please use Chrome for a better course navigation experience. This refreshed mandatory cyber security awareness training is designed for each and every Wärtsilä employee. It is designed to raise awareness through updated content and relevant subject areas. This training package is an essential core element of the overall programme to enhance Wärtsilä's cyber security maturity and resilience. It is both informative as well as including a short quiz and the overall completion rate of this mandatory training will be recorded, tracked and communicated openly across the company.
